

Declaration of Art Major

To declare your major, you will initiate the process through the registrar's website using the Adobe Sign form link at the bottom of this page. Please read the following department instructions before you fill out your form.

The requirements for each track are linked below.

No more than 3 units from another institution can count toward the Art Major

Not more than 3 courses may overlap with another major per all college [policy](#)

- [Art: Art History](#)
- [Art: Art Studio](#)
- [Art: Design Studies](#)
- [Art: Museum Studies](#)

When you fill out the "courses taken" and "still to be taken", please list the course numbers and how they meet requirements of the concentration. Below is an example of Art: Art Studio declaration:

The screenshot shows the Adobe Sign interface for the Colorado College Declaration of Major form. At the top left is the Colorado College logo and the text "POWERED BY Adobe Sign". The form title is "Declaration of Major" and it includes a red instruction: "Please fill out this form, sign and submit. The Registrar's office will forward it to your Advisor and Dept Chair(s) for approval." The form is divided into two main sections: "Office of the Registrar" and "Declaration of Major". The "Office of the Registrar" section includes fields for Name, CC Student ID #, Student Phone #, Student Email, MAJOR, and MAJOR ADVISOR (with a sub-field for "Please Print Name"). The "Declaration of Major" section includes a "Class" field with radio buttons for Fr., Soph., Jr., and Sr., and an "Advisor Signature" field. Below these are two tables for "Required- Courses already completed in major:" and "Required- Courses still to be taken in major: *". At the bottom, there is a signature line for the student with a "Click here to sign" button and a date field (10/28/2020). There are also fields for "Admission Denied", "Reason for Denial", and "Admission Granted", and a final signature line for the "Name and Signature of Department Chair" with a date field.

Declare Your Art Major [here](#)
