

CURRICULUM VITAE

Eric P. Perramond (Geographer), he/him/his
Professor of Southwest Studies & Environmental Science

Hulbert Center, #204
Colorado College
14 E Cache La Poudre
Colorado Springs, CO 80903

Phone: (719) 389 6241 (office)
(719) 660 2016 (cell)
E-mail:
eperramond@coloradocollege.edu

Education

PhD 1999 The University of Texas at Austin, Geography.
MA 1994 Louisiana State University, Geography.
BA 1992 Mary Washington College (VA), Geography.

Positions and Teaching Experience

2017- **Professor** of Environmental Science & Southwest Studies, Colorado College
2020-2022 **Associate Director**, Environmental Studies Program, Colorado College
2018-2020 W.M. Keck **Director**, Hulbert Center for Southwest Studies, Colorado College
2015- 2016 (**Director**, Southwest Studies, CC)
2014 - 2016 **Director**, *State of the Rockies Project*, at Colorado College, July 2014 – June 1, 2016
2010-13 **Director of the Environmental Program**
2009- Associate Professor of Environmental Science & Southwest Studies
2005-2009 Colorado College: Assistant Professor of Southwest Studies & Environmental Science
1999-2005 Stetson University: Assistant Professor of Geography & Environmental Science. *Environmental Science Coordinator, 2000-2005.*

Refereed Publications

Books & Research Monographs

2019. *Unsettled Waters: Rights, Law, and Identity in the American West*. Berkeley, CA: University of California Press.

2013. Moseley, W.G., E. Perramond and H. Hapke and P. Laris. *An Introduction to Human-Environment Geography: Local Dynamics and Global Processes*. Hoboken, NJ: WILEY-Blackwell.

2010. *Political Ecologies of Cattle Ranching in Northern Mexico: Private Revolutions*. Tucson, University of Arizona Press.

Peer-reviewed articles and chapters

2020. Water rights, river compacts, and legal-policy stationarity in the American West. *Environmental Research Letters* <https://doi.org/10.1088/1748-9326/ab649a>

2017. "Oyster Feuds: Conflicting Discourses in Point Reyes (CA)." Haley Leslie-Bole* and E. Perramond. *Journal of Political Ecology* 24: 1-23. HLB* 2015 CC graduate with an IDM in Environmental Anthropology.

2017.* Adjudicating hydrosocial territory in New Mexico. In *Hydrosocial Territories and Water Equity: Theory, Governance, and Sites of Struggle*. Rutgerd Boelens, Ben Crow, Jaime Hoogesteger, Flora E. Lu, Erik Swyngedouw, and Jeroen Vos, eds. Pp. 175-190. Routledge Press. *book reprint of 2016 article in WI (2016) listed below.

2016. Adjudicating hydrosocial territory in New Mexico. Special Issue (Hydrosocial Territories: A Political Ecology Perspective). *Water International* 41(1): 173-188.

2015. The creation of scaled water citizens in New Mexico, USA, in *Negotiating Water Governance: Why the Politics of Scale Matter*, eds, C. Cook, A. Cohen, and E. Norman, pp 173-188. Ashgate Press. <http://www.ashgate.com/isbn/9781409467922>

2015. Havlick, D. and **E. Perramond**. Militarized Spaces and Open Range: Piñon Canyon and the Geographies of Rural Resistance. *Environment and Development D: Society and Space* 33: 169-184.

2014. Eric P. **Perramond** and K. Maria D. Lane. Territory to State: Law, Power, and Water in New Mexico, in *Negotiating Territoriality: Spatial Dialogues Between State and Tradition*, eds A. Dawson, L. Zanotti, and I. Vaccaro, pp. 142-159. (Routledge Studies in Anthropology). Routledge Press.

2013. Water governance in New Mexico: Adjudication, law, and geography. *Geoforum* 45: 83-93.

2012. The politics of scaling water governance and adjudication in New Mexico. *Water Alternatives* 5(1): 62-82.

2011. Rittenburg*, Rebecca; Miro Kummel**; **E. Perramond**,). The local climate-development nexus: Jatropa and smallholder adaptation in Tamil Nadu, India. *Climate and Development* 3(4): 328-343.

2011. Nabhan, G.; K. Chambers; D. Tecklin; **E. Perramond**, and T. Sheridan. Ethnobiology for a diverse world - Defining new disciplinary trajectories: Mixing political ecology with ethnobiology. Co-author (4). *Journal of Ethnobiology* 31(1): 1-3.

2010. Atomic Borderlands: Teaching the (End of the) Earth. For a special issue of the journal *Transformations* 21(1): 99-111.

2010. "Localism as Nationalism in the Eastern Pyrenees," in Vaccaro, I. and Beltran, O. (eds.). *Social and Ecological History of the Pyrenees: State, Market and Landscape*, pp. 195-209. Walnut Creek (CA): Left Coast Press.

2008. The Rise, Fall, and Reconfiguration of the Mexican Ejido. *Geographical Review* 98(3): 356-371.

2007. "Localismo Como Nacionalismo en los Pirineos Orientales" in *Ecología Política de los Pirineos: Estado, historia y paisaje*, eds. I. Vaccaro and O. Beltran, pp. 189-205. Tremp (ESP): Garsineu Edicions.

2007. Tactics and Strategies in Political Ecology Research. *Area* 39(4): 499-507.

2007. E. Perramond, Chris Jackson* and Wade Roberts**. Lesson, Outreach, and Research: Three Models of Undergraduate GIS Research at a Liberal Arts College. Special issue of *Council on Undergraduate Research Quarterly* 27(3): 113-118.

2005. Melting the Kachinas: Agricultural Hegemony and Indigenous Incorporation at Zuni Pueblo in the Modern Era. *Journal of Political Ecology* Vol 12: 51-67.

2005. The Politics of Ecology: Wild Chili Collection in Sonora, Mexico. *Journal of Latin American Geography* Vol 4(1): 59-95.

-----Arrived at Colorado College in the fall of 2005-----

2004. Desert Traffic: The Drug Corridor in Northwest Mexico. In *Dangerous Harvest: Drug Plants and the Transformation of Indigenous Landscapes*, eds. M.K. Steinberg, J. Hobbs, and K. Mathewson, pp. 209-217. New York: Oxford University Press.

2002. Grazing the Periphery: The Political Ecology of Private Ranchers in Sonora, Mexico. In *Cultural and Physical Expositions: Geographic Studies in the Southern United States and Latin America*, eds. P.H. Hudson and M.K. Steinberg, pp. 51-57. Baton Rouge, LA: Geoscience Publications.

2002. Doolittle, W.D.; A. Sluyter; E. Perramond; D. Lambert, and P. Crossley. Sustaining a Growing Population on an Increasingly Fragile Environment. Co-author () in *Latin America in the 21st Century: Challenges and Solutions*, ed. G. Knapp, pp. 45-75. Austin: University of Texas Press.

2001. La Ganadería Sonorense y los Cambios Ecológicos: Una propuesta. In *Proceedings of the International Conference on the Environmental History of Livestock in the New World*, ed. L. Hernández, pp. 108-113. Xalapa, Mexico: Instituto de Ecología, A.C.

2001. Oral History and Partial Truths in Mexico. *Geographical Review* 91: 151-157.

September 2023

2000. A Preliminary Analysis of Soil Erosion and Buffelgrass in Sonora, Mexico. *Yearbook, Conference of Latin Americanist Geographers* 26: 131-138.

1996. Hot Cows and Green Pastures in the Rio Sonora Country, Mexico. *Geographical Review* 86(3): 462-464.

1995. Cleveland, Bowannie, Eriacho, Laahty, and Perramond. Zuni Farming and the U.S. Government: The Politics of Biological Diversity. Co-author with, in *Agriculture and Human Values* 14:2-18.

* CC alum

** CC faculty

Current Book Manuscript Projects:

1. **Co-Editor**, *Introducción a la Ecología Política: la emergencia de una nueva manera de analizar los conflictos ambientales*, a new Spanish language anthology of political ecology, with I. Vaccaro, G. Buda, and L. Durand. **Anticipated 2024**. COLSAN Press, Mexico
2. Translator, co-editor of Elisee Reclus' "*Voyage a la Sierra Nevada de Sainte-Marthe*" (1861). MS to be submitted.

Other Publications

2013, E. Leonard, S. Guerra, S. Paris, **E. Perramond** and V. Levin. The Hulbert Center for Southwest Studies, Colorado College. *Journal of the West* 52 (4): 15-21.

2009, with David Correia. "Poor Chupadero, so far from God, so close to Santa Fe." *La Jicarita News* 14(9). And "Appeal Peters Out: An Update on Las Acequias de Chupadero" in *La Jicarita News* 14(10). See <https://www.lajicarita.org/09oct.htm#chupadero>

2008. Borders and Borderlands: Overview. In the *Encyclopedia of the Modern World*, ed. Erick Langer. New York: Oxford University Press.

2003. *In the Footsteps of Sauer, Brand, Hewes and West: Field Trip Guide to the Rio Sonora Valley [Mexico]*. W.E. Doolittle and E.P. **Perramond**, compilers, for the Conference of Latin Americanist Geographers, 2003, in Tucson, AZ.

Book reviews:

2023. *All the Water the Law Allows: Las Vegas and Colorado River Politics* (University of Oklahoma Press, 2021) by Christian Harrison. Reviewed in *Western Historical Quarterly*.

2018. *Water: Abundance, Scarcity, and Security in the Age of Humanity* (NYU Press, 2017) by Jeremy J. Schmidt. Reviewed in *Environmental History*.

2018. *Whither the Waters: Mapping the Great Basin from Bernardo de Miera to John C. Frémont* (University of New Mexico Press, 2017) by John L. Kessell. Reviewed in *Journal of Latin American Geography* 17(1): 275-276.

2017. *Río: A Photographic Journey down the Old Río Grande*. Querencia series. Edited by Melissa Savage. Introduction by William deBuys. Series Editors Miguel A. Gandert and Enrique R. Lamadrid. (Albuquerque: University of New Mexico Press, 2016). Reviewed in *New Mexico Historical Review* 92(4): 495-496.

2014. *Contested Waters: An Environmental History of the Colorado River* (University Press of Colorado, 2014) by April R. Summitt. In *Journal of Historical Geography*.

2013. *A Land between Waters: Environmental Histories of Modern Mexico*. (Tucson: University of Arizona Press, 2012), Christopher R. Boyer, ed. In *Journal of Latin American Geography* 12 (3), 225-226.

2004. *Landscape, Nature and the Body Politic* (University of Wisconsin Press, 2002) by Kenneth R. Olwig. In *Annals of the Association of American Geographers* 94(2):437-439.

2002. *La Gran Línea: Mapping the United States-Mexico Boundary, 1849-1857* (University of Texas Press, 2001) by Paula Rebert. In *Journal of Latin American Geography* 1(1): 84-85.

2000. *Gentry's Rio Mayo Plants: The Tropical Deciduous Forest & Environs of Northwest Mexico* (University of Arizona Press, 1998) edited by Paul Martin, David Yetman, Mark Fishbein, Phil Jenkins, Thomas Van Devender, and Rebecca Wilson. In *Journal of Ethnobiology* 20 (1): 72-73.

1997. *Sonora: An Intimate Geography* (University of New Mexico Press, 1996) by David Yetman. In the *Journal of Geography* 96(1):45.

1996. *Essays on the Changing Images of the Southwest* (University of Texas A&M Press, 1994) edited by Richard Francaviglia and David Narrett. In the *Annals of the Association of American Geographers* 86(3): 596-597.

1996. *Sharing the Desert: The Tohono O'odham in History* (University of Utah Press, 1994) by Winston Erickson. In the *Journal of Historical Geography* 22(1): 115-116.

1994. *The Hispano Homeland* (University of Oklahoma Press, 1992) by Richard Nostrand. In the *Journal of Geography* 93(6): 292-293.

1993. *The People: Indians of the American Southwest* by Stephen Trimble. In the *Cultural Ecology Newsletter* 24: 5-6.

1993. *Gardens of Prehistory* (The University of Alabama Press, 1992) edited by Thomas Killion. In the *Cultural Ecology Newsletter* 22:6-7.

Research Interests

Political Ecology, Water and Natural Resources

Environmental Geography/Critical Physical Geography

Critical Legal Geography & Studies

Environmental Management

Latin America, Greater Southwest/Mexican Northwest, Mediterranean

Research Grants

Colorado College

2021-22: Jackson Fellowship for student research stipend, summer 2021, Olivia Coutre on Conjunctive Water Management in Texas. \$4000 for Olivia (SW/EV major).

2020-21: Jackson Fellowship for student support of faculty research. \$1600 for research on the New Mexico Acequia Association (Julia Chase, EV major).

2018-19: Jackson Fellowship & SSEC funds for publication support, cartographic production, indexing on *Unsettled Waters* (UC Press, 2018)

2017-18: Hulbert Center for Southwest Studies Jackson Fellowship, on “Bears Ears, a New Model for Indigenous Inter-Tribal and Sovereign Cooperation.”

2016 (summer/deferral into 2017): Comparative western U.S. adjudications (CO/NM/OR/WA/CA) and the future of water, preliminary research funding by SSEC.

2015 (summer): Jackson Fellowship, collaborative faculty-student research grant on “Sacred Spaces/Nuclear Places” with (SW) student Sierra Wilbar for completing her major capstone project.

2014 (summer): Jackson Fellowship, collaborative faculty-student research grant on “The Santa Fe, a Living River” – with Peter Levin (SW senior major capstone project).

2013-14: Jackson Fellowship for “Unruly Waters” chapter on the *Local Rule of Experts* (Chapter 1 of intended book volume). On-site at the Newberry Library, Chicago, IL, summer of 2013.

2012-13: Jackson Fellowship for “Unruly Waters: Governance, Justice, and Ecological Power in New Mexico.” Research award from the Hulbert Center for Southwest Studies, for a book prospectus to be submitted to Duke University Press.

2010-11: Jackson Fellowship for “The formation of hydraulic expertise and water governance in New Mexico.” Summer 2011 field and archival work.

2010-2011: Social Science Executive Committee, \$2400.00 for direct housing subsidy in New Mexico during the summer of 2011.

2010-2011: Natural Science Executive Committee: \$638.00 for supplementary *conference* travel to the Environmental Governance Workshop, May 17-20, 2011 in Ft. Collins, CO (part of the Earth System Governance network)

2010-11: Mediterranean Cultures & Languages, Mellon-funded course development for “Mediterranean Terroirs: Human-Environments” Stipend and travel funds for the summers of 2010 and 2011.

2009-10: Jackson Fellowship for Acequias under adjudication project, summer 2009. Phase completed August 15, 2009.

2009-10: SSEC Research & Development award for travel, summer, early fall 2009. Phase completed September 20, 2009.

2008-09: Benezet Research Fellowship for field work on acequia adjudication in three areas of New Mexico (summer 2009). Phase completed August 31, 2009.

2008-09: Jackson Fellowship funding for field work on regional political ecological class-based research projects in SW301 (Political Ecology of the Southwest), teaching and course enhancement purposes.

2008: SSEC Book Subvention Grant, for *Private Revolutions* (University of Arizona Press, publication date TBA).

2007-08: Jackson Fellowship funding for field work on water rights in New Mexico (Summer 2007).

2007: Faculty-Student Collaborative Research Grant for student research on water adjudication and land easements in New Mexico. \$2500 to Mary (Molly) Dilg, June-August 2007.

2006-07: Mrachek Fellowship for work on book manuscript, *Private Revolutions*. (Summer 2006).

(2005-)2006: Social Science Executive Committee, funds for research in the libraries of the University of Texas at Austin (summer 2006) and for travel to the American Society for Environmental History meeting in St. Paul, MN (March-April 2006).

External Grants & Funds:

Four Corners Fund, private gift to the college for sponsored research in the four corners region on social, political, and environmental issues. Anonymous donor \$12,500 in summer 2019.

The William and Flora Hewlett Foundation, Environment Program, \$175,000 for “Colorado College State of the Rockies 2015 Conservation in the West Poll,” awarded November 2015.

The William and Flora Hewlett Foundation, Environment Program, \$175,000 for “Colorado College State of the Rockies 2015 Conservation in the West Poll,” awarded November 2014.

AAG Enrichment Fund Grant, for David Barkin (U. Autonoma de Xochimilco, Mexico); to cover registration costs at the 2008 meeting of the Association of American Geographers, November 28, 2007. Barkin could not attend, funds not expended.

The Historical Geography of Cattle Ranching in Sonora, Mexico, project funded by the National Security Education Program for dissertation research, August 1997 - December 1997.

IIE J. William Fulbright Award for dissertation research in Sonora, Mexico, September 1996 -July 1997.

C.B. Smith Dissertation Enhancement Research Grant - awarded by the Mexican Center of the Institute of Latin American Studies for travel to Mexico City, Summer 1996.

Tinker Foundation Fieldwork Research Grant awarded for preliminary research on changes in Sonoran agriculture and ranching, summer 1995.

Center for Francophone Studies of Louisiana State University, grant for translation of Elisée Reclus' account of post colonial Colombia. Co-PI, summer 1994.

Robert C. West Field Research Grant awarded by the Department of Geography and Anthropology, Louisiana State University, for thesis research at Zuni Pueblo, New Mexico, summer 1993.

Teaching & Course Enhancement Opportunities

ACM Newberry Research Semester in the Humanities, for a new course on "*Nature, Culture, and the Metropolis*" with W. Davis (German/CompLit, CC) **FALL 2017**

ACM Newberry Research Semester in the Humanities, for a new course on "*Representing the Other in the Americas*," fall semester of **2013**, at the Newberry Library, Chicago, IL. (August-December, 2013).

Mellon Foundation grant for languages and Mediterranean Studies, for new course on Mediterranean Environments: ecology, agriculture, and identity, summers of **2010** and **2011**. Course taught block A, **2014**.

Curriculum Development Grant, for first-year experience (FYE) course development in Southwest Studies, during summer 2008, with Anne Hyde (History-Southwest Studies).

Mellon Foundation, funding for course development in the new environmental science major at Colorado College – EV421 Environmental Synthesis (Global Climate Change Policy), with Andrew Price-Smith (Political Science, CC) during summer 2007.

Teaching Interests & Courses Offered

Course portfolio (regularly offered courses) – regular offerings in bold

CC120 Writing the Southwest Borderlands* (first year program, writing course)

EV145 Environment & Society (new Environmental Studies intro course)

SW 272 Cultural Landscapes of the Southwest

SW/EV 301 Political Ecology of the Southwest (advanced human-environment class).

EV321 Environmental Management

EV391 Junior Research Seminar (a preparatory pro-seminar for thesis writing)

SW/EV 352 Waters of the West*

September 2023

EV 421 Environmental Synthesis (senior capstone course, 2023, and 2024)
EV499 Senior Thesis advising (1-2 units, every year)
SW400-401: Senior Project (2 units, every year)

Past or occasional courses at Colorado College

EV120 Mediterranean Environments (taught in France/Spain) summer A 2014
EV 128 Introduction to Global Climate Change. 1 unit.
EV155 Introductory Earth Systems Science
EV221 Environmental Inquiry. 1 unit. (research methods)
EV421 Synthesis: Global Climate Change Policy (w/Price-Smith, 2008)
EV421: Synthesis: Regional Environmental Change & Policy (capstone in 2009, solo)
FYE/SW 175 The Southwest: An introduction (block 1 of 2), *past version*
GS222/EV260 Ecological Citizenship in the 21st century (2012), taught again in 2015 as
EV421: Synthesis: Ecological Citizenship in the 21st century (2015)
SW102 Place, Space, and the Southwest
SW200: Human Ecologies of the Southwest (*now* SW301)
Geographical Inquiry in the Southwest (GIS + field methods, *now* SW272)
(Sw272) Nature, Region, and Society of the Southwest (human-environment class), *past version*

Conference & Invited Research Presentations

2023. “Liminal Settler-Colonial Water Management in the 21st Century.” **Paper** presented in special sessions, *Politics of Environmental Knowledge*, at the 2023 American Association of Geographers, Denver, CO, March 24, 2023.

2021. **Invited** book talk, “Unsettled Waters: Rights, Law, and Identity in the American West,” at University of Hawai’i (Geography). December.

2021. “Reconciling Water through Adjudication in the American West.” **Paper** presentation during the Western History Association conference, Portland, OR (Oct 30, 2021). As part of a panel on “Water in a Global West.”

2021. **Invited** book talk, “Unsettled Waters: Rights, Law, and Identity in the American West,” October. University of Wisconsin, Anthropology class.

2021. **Invited** speaker, “Quenching our Thirst,” El Pomar Colorado Springs Sesquicentennial celebration, Colorado Springs Pioneers Museum. October.

2021. “From Blue Lake to Bears Ears: Decolonizing Conservation.” Session **organizer**, speaker for special “*Decolonizing Conservation*” session at the 2021 Virtual American Association of Geographers annual meeting, April 9.

2021. “Climate, Law, and New Mexico’s Water in the 21st Century.” **Invited** speaker, New Mexico State University Department of Geography colloquium series, February 26th.

2021. “Unsettled Waters in an Unsettling Climate: Learning from New Mexico.” **Invited Speaker** for the *New Mexico Acequia Commission*. (Virtual/Zoom conference), January 21.

2021. “Unsettled Waters in an Unsettling Climate: Learning from New Mexico.” **Keynote Speaker** for the *New Mexico Water Dialogue*. (Virtual/Zoom conference), January 13.

2020. October 17, 2020. **Organizer**, Roundtable on “West by Southwest” at the Western History Association, Zoom/virtual conference. Comments: Decolonizing Cultural Landscapes of the Southwest over time. (*with* Santiago Guerra, Karen Roybal from SWS)

2019. November 1, invited book talk, “Unsettled Waters: Rights, Law, and Identity in the American West,” at University of Colorado-Boulder, Department of Geography colloquium.

2019. October 25, invited book talk, “Unsettled Waters: Rights, Law, and Identity in the American West,” at the University of Texas at Austin, Geography & the Environment.

2019. October 24, invited book talk, “Unsettled Waters: Rights, Law, and Identity in the American West,” at Southern Methodist University, Clements Center for the Southwest.

2019. October 11, invited panelist, “Water Justice, Water Rights” at the Society for Environmental Journalism Conference, Fort Collins, CO. Podcast recording of session at: <https://anchor.fm/sejorg/episodes/Water-Rights--Water-Justice-e97v5i>

2019. April 12, Surcos to Acre Feet, and the Changing Values of Water, a paper **presentation** at the American Society for Environmental History, and **organizer** of session, Agencies of Water: Quality, Quantity, and Health. Columbus, OH.

2019. April 4, “Books, Geography, and Writing for the Public,” session **organizer** and panelist for a round-table session at the meetings for the American Association of Geographers in Washington, D.C.

2018. **Murphy Lecture**, invited talk, in the Department of Geography and Environmental Studies, University of New Mexico, Albuquerque, November 16, 2018.

2018. “Unsettled Waters: Rights, Law, and Identity in the American West.” Invited colloquium talk in the Department of Geography & Environmental Studies, CU-Denver, May 2018.

2018. *Visible and Invisible Water Infrastructure in the American West*, a paper presentation, in special session “Infrastructure, finance and the reworking of water-sanitation hydroscaapes” at the annual meetings of the American Association of Geographers. AAG 2018 (April)

2017. Paper presentation, *Refusing the State in New Mexico*, in the special session “Anarchist Political Ecologies” at the upcoming meetings of the American Association of Geographers in Boston, MA (April 4-8).

2017. Panelist, Chair for **New Western Geographies of the 21st century**. Helped organize a special panel for the American Association of Geographers meeting in Boston, MA (April 4-8).

2017. Adjudicating less water in the 21st century American West. **Organizer** of session: *Winds of the Anthropocene: Connecting Objects and Actors*. Paper to be presented at the American Society for Environmental History, March 29-April 2, 2017 in Chicago, IL.

2016. Reconciling politics and ecology in New Mexico water adjudications, paper delivered at the annual meetings of the Association of American Geographers, in the special sessions of Political Ecologies of Water in the West, March 30, San Francisco, CA.

2016. Invited Roundtable Panelist on *Water Security: Critical Geographical Engagements*, at the AAG meetings in San Francisco, CA, March 31.

2015. Reconciling water rights, law, justice & ecology in the 21st century. Invited presentation delivered at Ft Lewis College’s Center of the Southwest Center, October 5th.

2015. A Metered State: water in New Mexico. Paper delivered at the annual meetings of the Association of American Geographers, in the special sessions of *Fast/Slow States: Time-Space, Technology, and Water Governance*, April 21-25, Chicago, IL. (Paper and Panel Sessions **Organizer**).

2014. The Adjudication of Western Waters under Climate Change. Invited presentation at the University of California - Merced (Humanities and Social Sciences Division) presentation, October 23-26.

2014. Special panel discussion, and **session organizer**, on *Risk and the Suburbs: Historical Political Ecologies of Fire* at the American Society for Environmental History meetings, March 13-16 in San Francisco, CA.

2013. “Translating resilience into water resource management policy.” Paper presented at the American Water Resources Association, in the feature session *Practical applications of resilience thinking in water resources management*, November 4-7, Portland, OR.

2013. “Experts, water governance, and science-knowledge in New Mexico.” Paper presented at the annual meetings of the Association of American Geographers, in the session *Reclamation, Adjudication, and Restoration: Streams of Power*, April 9-14, Los Angeles, CA.

2013. “The two Pyrenees: depopulation, land-use changes, and repopulation in the EU era.” *Invited* paper presented at the Department of Geography, University of Colorado-Boulder, March 15.

2012. “Unruly Waters: Adjudicating Rights, Ecology, and Power in New Mexico.” *Invited* paper presented at the Department of Geography, University of Denver, November 15.

2012. “Ambivalent Outcomes: Political ecology, water governance, and technology in New Mexico.” Paper presented at the Dimensions of Political Ecology conference at the University of Kentucky, Lexington, April 14th.

2011. “The political ecology of terroirs in Catalunya.” Paper presented at the annual meetings of the American Anthropological Association, Montreal, Canada, November 17-20.

2011. “Blood in the Waters: Identity, indigeneity, and adjudication in New Mexico.” *Invited* Presentation for the American Studies department at the University of New Mexico, Albuquerque, November 11.

2011. “Scaling water governance with adjudication in New Mexico.” Presentation and paper delivered at the annual meetings of the Association of American Geographers, in the special sessions on *Water governance and the politics of scale: A critical examination of water governance in a multi-scalar environment*, Seattle, WA April 14.

2011. Panelist, session on “Human Environment Interactions in the Borderlands” at the annual meetings of the Association of American Geographers, Seattle, WA, April 13.

2010. “Private Revolutions: Mexican Ranching in the Borderlands.” *Invited* presentation for the University of Arizona Department of Geography Colloquium Series, October 8, 2010.

2010. “Blood in the Waters: Governance and Ethnicity in New Mexico.” Class presentation for Geography 408 Arizona and the Southwest, University of Arizona, Tucson. October 7th.

2010. “Acequias, adjudication, and governance changes.” Presentation prepared for the annual meetings of the Association of American Geographers, Chair & organizer of session *Interdisciplinary perspectives on environmental justice in New Mexico*, Washington, D.C. April 14, 2010.

2010. Co-organizer of panel on *Ethics of Latin American Fieldwork*, annual meetings of the Association of American Geographers, Washington, D.C. April 15, 2010.

2009. “Private Revolutions: Political Ecologies of Cattle Ranching in Northern Mexico.” Invited presentation for the Honors Program and Geography, at the University of New Mexico, Albuquerque (NM), November 9, 2009.

2009. “*México después del neoliberalismo*” (and organizer of special session *Mexico after neoliberalism*), Paper presented in Spanish at the Conference of Latin Americanist Geographers meeting in Granada, Nicaragua, January 7-10, 2009.

2008. Co-author with Molly Dilg (CC student), “Adjudication before Neo-liberalism: Water Rights in New Mexico.” Paper presented at the annual meeting of the Association of American Geographers, Boston, MA, April 15-19. Chair & Organizer of the session *Liquid Governance*.

2008. “Adjudication before Neo-liberalism – Water in New Mexico.” Invited paper presented at the Colloquium of the Geography Department at University of Colorado-Boulder, February 1, 2008 .

2007. Co-author with Molly Dilg (CC student), “Liquid Relations: Water Rights in New Mexico under Adjudication.” Poster presentation prepared for the Great Plains/Rocky Mountains divisional meeting of the Association of American Geographers, Denver, CO, September 29.

2007. “Private Revolutions: Political Ecologies of Cattle Ranching in Northern Mexico.” Presentation at Macalester College, St. Paul, MN, September 13. ACM-funded visit between geographers.

2007. “PROCEDE at 15 years: The Geography of Ejido Privatization in Mexico.” Paper presented in the special session *Mexico’s Reforms at 15: Privatization, Sustainability and Implications for the Future of the Ejido* at the Latin American Studies Association meeting, Montreal, Canada, September 6-8.

2007. Chair & Organizer, panel session on Cattle and Capitalism in the Age of Neo-liberalism at the annual meeting of the Association of American Geographers, San Francisco, CA, April 17-21.

2007. “The Devil’s Wire and Neo-liberal Enclosure: Material and Conceptual Privatization in Sonora, Mexico.” Paper presented in the session *Cattle and Capitalism in the Age of Neo-liberalism* at the annual meeting of the Association of American Geographers, San Francisco, CA, April 17-21.

2006. “Depopulation, Degradation and Extensification in the Catalonian Pyrénées.” Paper presented in the session *Political Ecology of Pyrenean Landscapes*, at the meeting of the American Society for Environmental History, St. Paul, MN, March 29-April 2.

2006. “Long Waves of Neo-liberalism and Privatization in Mexico.” Paper presented in a special session on *Land Reform and Agrarian Change: Experiences from the Global*

South at the annual meeting of the Association of American Geographers, Chicago, IL, March 7-11.

2006. Chair, “Participatory Mapping and Indigenous Peoples” session at the annual meetings of the Association of American Geographers, Chicago, IL, March 7-11.

2006. Panelist, “Environmental Politics and Public Lands” session at the annual meetings of the Association of American Geographers, Chicago, IL, March 7-11.

2005. “The Rise and Fall of the Mexican Ejido.” Paper presented in the session *Geografía Latinoamericana: Economía y sociedad* at the Conference of Latin Americanist Geographers, Morelia, Mexico, October 27.

2005. “Intermediate Ecological and Post-Structural theories for Political Ecology.” Paper presented in special session on *Concepts and Theories in Cultural and Political Ecology*, at the annual meeting of the Association of American Geographers, Denver, CO, April 5-9. Co-organizer of sessions I and II, Chair of session II.

2005. Panelist, *Nature, Politics and Resources in the Arid Realm II* at the annual meeting of the Association of American Geographers, Denver, CO, April 5-9.

2005. Invited Discussant in session *Politics of Scale: Environment, Community and Justice*, at the annual meeting of the Association of American Geographers, Denver, CO, April 5-9.

2004. “An Evaluation of Soil Nutrient Variability under Three Dominant Land Cover Types in Southwestern Florida” – Poster presentation with Brenda Brooks-Solveson (Stetson University graduate) at the Southeast Divisional meetings of the Association of American Geographers, Biloxi, MS, November 21-23.

2004. “Geographic Contexts for Land Privatization in Mexico: Understanding the Environment of the Counter-revolution.” Full-length paper prepared and presented in session *Geographical Perspectives on Change in Mexico* at the Latin American Studies Association meetings in Las Vegas, NV, October 7-9. – Research presentation based on student research collaboration in Mexico (2002).

2004. “Human Impact & Etnoecology of Chiltepín (*Capsicum annuum* var. *aviculare*) Collection in Sonora, Mexico.” Paper presented at the Conference of Latin Americanist Geographers in Antigua, Guatemala, May 17-22.

2004. “Pyrenean Depopulation and Landscape Degradation in the 20th Century.” Paper presented at the annual meeting of the Association of American Geographers in special session *Political Ecologies of European Landscapes*, Chair & Organizer. Philadelphia, PA, March 17.

2004. "Reclus' Influence and Contributions to Geographic Theory." Panel remarks presented at the annual meeting of the Association of American Geographers in special session *Anarchism and Geography: Past Issues and Contemporary Opportunities*, Organizer & Co-Chair with Mark Bonta (Delta State U.). Philadelphia, PA, March 17.

2004. "Historical Materialism and Material Cultures." Panel presentation at the annual meeting of the Association of American Geographers in special session *Roots & Retrospective* of the Cultural and Political Ecology Specialty Group, Philadelphia, PA, March 16.

2004, "Agricultural Hegemony at Zuni Pueblo and Indigenous Incorporation." Paper presented at the Stetson University *Faculty Research Forum*, January 16.

2003. "Land Tenure and Environmental Change in Mexico: Examples from the State of Guanajuato." Presentation at the Center for the Study of Institutions, Population, and Environmental Change, Indiana University, Bloomington, IN, May 23.

2003. "Florida Noir and Environmental Education." Symposium of the Florida Teachers Council (Florida Humanities Council), roundtable with S.V. Date and Tim Dorsey, DeLand, FL, April 25.

2003. "Institutional Dimensions of Environmental Change in Mexico: Privatization, Ejidos, and Soil Erosion Responses to Land-cover Changes." Paper presented in session *Changing Influences on Mexican Human-Environment Relationships* at the annual meetings of the Association of American Geographers, New Orleans, LA, March 5.

2003. "Rancher Tactics and Environmental Strategy in the Rio Sonora of Mexico." Paper presented in the Robert C. West session at the Conference of Latin Americanist Geographers, Tucson, AZ, January 5-7. Session organizer.

2002. "Neo-Liberal Landscapes of Agrarian Mexico: Cases from the State of Guanajuato." Paper delivered at the annual meeting of the Association of American Geographers, Los Angeles, CA, March 21.

2001. "NAFTA and the Tortoise: Privatization of the Mexican Commons in Guanajuato, Mexico." Paper delivered at the Conference of Latin Americanist Geographers, Benicassim, Spain, June 14.

2001. "Digging Up the Dirt: Fieldwork, Oral History, and Partial Truths." Paper delivered at the annual conference of the Association of American Geographers, New York, NY, Feb 27-March 3. Special Geographical Review session on *Doing Fieldwork*.

2000. "Ecology and Ideology: Private Landscapes of Northern Mexico." Paper presented in the session *Mixed Landscapes, Mixed Methods II* at the annual meeting of the Association of American Geographers, Pittsburgh, PA.

2000. "Elisée Reclus and Post-Colonial Colombia." Paper delivered at the Conference of Latin Americanist Geographers meeting, Austin, TX, Jan. 6-8. Chair of session.

1999. "Desert Traffic: The Drug Corridor in Northwest Mexico." Paper delivered at the annual conference of the Association of American Geographers, Honolulu, HI, April 4.

1998. "Grazing the Periphery: The Political Ecology of Private Ranchers in Sonora, Mexico." Paper delivered at the Southwestern Division of the Association of American Geographers meeting, Baton Rouge, LA, October 30.

1998. "Buffelgrass, Conservation, and Soil Erosion in Sonora, Mexico." Paper delivered at the annual meeting of the Association of American Geographers, Boston, MA, March 27.

1997. "Greener Pastures? Trends in the Cattle Industry of Sonora, Mexico." Presentation delivered at the annual meeting of the Association of American Geographers, Fort Worth, TX, April 3.

1996. "Cambios Ecológicos en Sonora durante la Colonia." Paper delivered at the International Conference on the Environmental History of Livestock in the New World, Durango, Mexico, October 18.

1996. "Geographical Problems in the Historiography of Sonoran Cattle Ranching." Presentation delivered at the annual meeting of the Association of American Geographers, Charlotte, NC, April 11.

1996. Panel discussant for *Biological Conservation in the Texas-Mexico Borderlands: Science and Policy*, organized by the University of Texas Chapter of the Society for Conservation Biology, Austin, TX, April 26.

1996. "Problemas Historiográficos en la Geografía de la Ganadería Sonorense." Paper delivered at the Conference of Latin Americanist Geographers in Tegucigalpa, Honduras, January 4.

1995. "Colonial Landscapes of Cultivation at Zuni Pueblo." Paper presented at the Southwest Association of American Geographers, Las Cruces, NM, October 6.

1995. "A Political Ecology of the Zuni Indian Reservation: 1846-1993." Paper delivered at the annual meeting of the Association of American Geographers, Chicago, IL, March 19.

1993. "Zuni Agriculture in the 20th Century." Paper delivered at the Southwest Association of American Geographers meeting, Fayetteville, AR, October 22.

1993. “Beyond the Garden Thing: Zuni Agriculture in the Twentieth Century.” Paper presented in the Department of Geography and Anthropology, Louisiana State University, October 8.

1993. “Ethnicity and Cultural Ecology in Northern New Mexico.” Paper delivered at the annual conference of the Association of American Geographers, Atlanta, GA, April 7.

1993. “Land Ethics in Northern New Mexico.” Paper delivered at the Southwest Social Sciences Association conference, New Orleans, LA, March 18.

Service

Service to Colorado College

Associate Director, Environmental Studies Program, 2020-22

VP, AAUP Local Chapter at CC, 2020-21

Academic Program & Priorities Task Force (COVID-19, summer 2020)

W.M. KECK Director, Hulbert Center and **Southwest Studies Program**, 2015-17 & 2018-2020

State of the Rockies, Faculty **Director**, 2014-2016

Fine Arts Center @CC, Museum Sub-Committee Member, **fall 2016**

Faculty Executive Committee (**FEC**), Priorities, 2012-13

Strategic Planning, Steering Committee member, 2012-13

Environmental Program Director, 2010-13

Institutional Review Board, 2010-11-12, 2013-14,

First Year Experience (FYE) Committee, 2007-08-09

FYE Portfolio Pilot Project, 2008-09

New Faculty Mentor, Antonio Tiongson (American Cultural Studies), 2008-09

Christina Leza (Anthropology), 2011-12; Jean Lee (EV, 2014-15)

Study Abroad Faculty Advisor, Augsburg College programs in Mexico and Central America, 2007-09

Math & C.S. Search Committee member, 2007-08

Information Technology Advisory Board, 2006-07

Environmental Science Program Committee, 2005-present

Southwest Studies Faculty Advisory Committee, 2005-present

GIS Steering Committee, 2005-present

Service Presentations: (some listed in invited research list above)

1. **Panelist** for El Pomar Pikes Peak Heritage Series – Colorado Springs Water Panel, invited speaker, Wednesday, August 30, **2023**. El Pomar Foundation, Colorado Springs, CO.
2. “Mapping: Critical Conversations” – collaborative discussion panel with Scott Johnson (organizer) and CJ Alvarez (UT-Austin) for Johnson’s *Fissure* exhibit at the Center for Contemporary Arts in Santa Fe, NM, December 21, **2019**.
3. “Unsettled Waters: Rights, Law, and Identity in the American West.” February **2019** Aficionados Luncheon Series Lecture, Colorado College.

4. IDEAspace exhibit and catalog blurb, HYDROLOGIC and the Hydrosocial Cycle, January 2016 (with State of the Rockies students).
5. IDEAspace Faculty Cabaret: Collecting Native America, Cornerstone Arts Center, with C. Leza, E. Gomez, on Friday, March 2nd, 2012 4:30-6pm based on the art exhibit "Indian Corner" by Wendy Red Star.
6. Aficionados Luncheon, Wednesday, May 4th, 2011, Colorado College. "Blood in the waters: The scale of water governance in New Mexico."
7. "Ditch, institution, icon." February 18, 2010 guest lecture given in the course *Geography of New Mexico and the Southwest*, University of New Mexico, Albuquerque, NM.
8. Acequias and Adjudication, and governance changes." Friday, January 8, 2010. Presentation given to the (state agency) New Mexico Acequia Commission on sabbatical research.
9. Aficionados Luncheon, Wednesday, May 2, 2007: "The Devil's Wire: The Death of the Open Range in Mexico."
10. Methods Workshop for Political Science, February 22, 2007: GIS and Social Science Research, with Andrew Price-Smith.
11. Faculty Luncheon, December 18, 2006: "Political Ecology of Ranching in Mexico."
12. EV Seminar Presentation, February 23, 2006: "Grazing, Ranching and Environmental Complexity."

Service to the discipline(s):

- External Reviewer for 15 colleagues, either for tenure-Associate or for promotion to full. (2010-present)
- **Advisory Editorial Board member**, *Journal of Political Ecology*, 2012-present.
- Southwest Centers Consortium, Member - August 2014 Reunion & Workshop on Southwest Studies, Fort Lewis College, Durango, Colorado.
- Book Series **Co-Editor**, *La Frontera: People and Their Environments in the U.S.-Mexico Borderlands* (University of Arizona Press), 2009-present.
- Chair, *Conference of Latin Americanist Geographers*, 2008-10.
- Vice-Chair, *Conference of Latin Americanist Geographers*, 2006-08.
- Associate Editor, *Journal of Latin American Geography*, 2004-06
- Conference Organizer, Conference of Latin Americanist Geographers, hosted at Colorado College, May 31-June 3, 2007.
- *Conference of Latin Americanist Geographers*, Board Member, 2001-04. (Publications Committee, CLAG; Membership Committee, CLAG).
- Member, Editorial Board, *ACME - An International E-Journal for Critical Geographies*, 2007-2013. Located @ <http://www.acme-journal.org>.
- Editor and Host, *Cultural & Political Ecology Newsletter* of the Association of American Geographers, 2004-05
<http://www.stetson.edu/artsci/cape/>
- **Journal Manuscript Reviewer**: *Journal of Latin American Geography* (2002, 2003, 2004, 2011, 2012, 2016-17), *Historical Geography*; 2004 special issue on Historical Political Ecology (Geoscience Publications); *World Development* (2004); *Geoforum* (2005, 2011, 2013, 2021); *Agriculture, Ecosystems, and Environment* (2004); *The Southwestern Geographer* (2004); *Journal of Historical*

- Geography* (2004); *Journal of Rural Studies* (2005); *Journal of Geography* (2005, 2006, 2008); *Human Ecology* (2005); *The Geographical Journal* (2006); *Singapore Journal of Tropical Geography* (2007); *The Professional Geographer* (2008, '10, '14), *Transactions of the Institute of British Geographers* (2007, 2008); *ACME: An International E-Journal for Critical Geographies* (2007-10), *Environmental Justice* (2009), *Annals of the Association of American Geographers* (2009, 2010, 2012, 2013), *Journal of Political Ecology* (2010, 2012, 2013, 2014), *Sustainability* (2010), *Water Alternatives* (2010, 2012), *Capitalism Nature Socialism* (2011), *Environmental History* (2011), *Environmental Management* (2012), *Latin American Research Review* (2012), *Mountain Research and Development* (2013), *Environment & History* (2013), *Food Policy* (2016), *Environment and Planning D: Society and Space* (2016), *Environment and Planning A* (2016).
- Book Manuscript Reviews: University of Texas Press (2002), University of Arizona Press (2004); Pennsylvania State University Press (2005), University of California Press (2015), MIT Press (2019) University of New Mexico Press (2018, 2021).
 - Research Proposal Reviews: NSF (2004, 2007, 2010-12, 2014, 2015, 2018, 2019)
 - Dissertation Committee Member, CU-Boulder, for Chilton Tipton (Anthropology).

Professional Development & Awards

- **Faculty Fellow**, *ACM Newberry Research Semester in the Humanities*, course instructor (with William Davis, Comparative Literature, CC) for “Nature and Culture in the Metropolis.” Course to be taught **fall of 2017** at the Newberry Library, Chicago, IL.
- **NEH Summer Institute, 2017** – City/Nature: Urban Environmental Humanities at the University of Washington, Seattle (WA). June 25-July 14, 2017.
- **Faculty Fellow**, *ACM Newberry Research Semester in the Humanities*, course instructor (with William Davis, Comparative Literature, CC) for “Representing the Other in Image, Text, and Landscape.” Course taught fall of **2013** at the Newberry Library, Chicago, IL.
- National Sciences Executive Council, funds to attend the Colorado Earth System Governance Conference, May 17-20, **2011**, for Environmental Program enrichment, curriculum planning, and course design plans.
- GLCA/Japan Fund, summer **2010** – “Nature and Environment in Japan” – workshop on incorporating materials, with field study, from Japan (June 1-10, 2010).
- **NEH Summer Institute, 2009** - Nature and History at the Nation’s Edge, held at the University of Arizona (Tucson), June 14-July 11. This summer institute is focused on bringing together environmental historians with borderlands scholars and theory to improve joint scholarship on the region that seriously considers bi-national environments as crucial to borderlands scholarship.

- ACM FaCE Visiting Scholars Initiative – Two visits by EPP to Macalester College and Grinnell College, and two geographers making return visits to Colorado College. 2007-2009 – approved May 25, 2007
- Southwest Studies Regional Research Initiative Faculty Development Institute, Colorado College, August 11-13, 2005.
- Applied for NSF Workshop, Summer 2005, *Integrating GIS into Watershed Analysis*, 7.29-8.2.2005 at SUNY-Brockport. *Declined* 5/2005.
- Geography Faculty Development Alliance, professional workshop, June 19-26, 2004 held at the Department of Geography, University of Colorado-Boulder.
- May-June 2003 - Summer Fellow, Center for the Study of Institutions, Population, and Environmental Change (Indiana University-Bloomington). *CIPEC* is a professional development institute on GIS, remote sensing and survey/questionnaire integration for human dimensions of global change research.

Memberships in Professional Organizations

Association of American Geographers (AAG)

American Society for Environmental History (ASEH)

Conference of Latin Americanist Geographers (CLAG)

Political Ecology Society (PESO)

Western History Association (WHA)

Fieldwork

- Four Corners (UT/NM/CO/AZ) research, Bears Ears National Monument and Decolonizing Conservation project, summers 2018, 2019, 2021, 2023*
- New Mexico, 8/2009-3/1/2010, 7-8/2011, 6/2012, 7-8/2014, 7-8 2015, 12/2015, summer 2017, research on water rights adjudication and acequia governance.
- Pyrenees, summers 2010, 2011, 2013, 2014- Mediterranean terroirs: human environments.
- Colorado/New Mexico, 7/2005, 9/2005, 8/2006, 4/2007, 6-7/2007; 7/2008– New research on agrarian landscapes, water and landscape transformation along the Upper/Middle Rio Grande watershed. + Pinon Canyon ranching-Army controversy (7-8/2008).
- Sonora, Mexico 7/02, 1/03– Conference of Latin Americanist Geographers conference-related planning activities and follow-up research on cattle-ranching in the Rio Sonora region.
- Pyrenees, summers 2000, 2003; October 2006, May-June 2008 –Pyrenean depopulation in the 20th century and effects on land-use ecology, land-cover, and identity regionalism (France/Spain).
- Guanajuato, Mexico - Hollis Mentored Field Experience, 5/02-6/02, Central Mexico. 5/00 – 7/00 (funded project)
- Sonora, Mexico 6/95-7/95 and 9/96-11/97 (Dissertation field research).
- Zuni (Pueblo), New Mexico, 6-8/93 (Masters field research)
