

Nevada

Believe Colorado River is At Risk

"Thinking specifically about the Colorado River and the rivers and streams which flow into it in Nevada –please tell me whether you think **At Risk** describes the Colorado River very well, somewhat well, not very well, or not at all?"

70%

Oppose State Takeover of Public Lands

"Some Members of Congress have proposed giving **Nevada** state government control over national public lands, such as national forests, national monuments, and national wildlife refuges in its borders. The state government would decide the future management of the lands, but state taxpayers would pay all costs, including the cost of maintenance and preventing and fighting wildfires."

52%

- ❖ **78%** support presidential authority for National Monument designation
- ❖ **78%** support treating wildfires as natural disasters in budgeting;
- ❖ **72%** support continuing investment in LWCF

Most likely to say "low level of water in rivers" is a problem in their state (73% very serious problem)
