CHECKING OUT/PICKING UP A VEHICLE PROCEDURE

The certified driver(s) is to report to Facilities Services located at 1125 Glen Avenue (Van Briggie Building) on the scheduled day of pickup, Monday-Friday from 8 a.m.-4:30 p.m. The information to make a reservation (*refer to Reserving a Vehicle section*) will be required at pickup to complete the vehicle reservation form.

If the trip is scheduled to begin on a weekend (Saturday or Sunday), keys must be picked up at the Facilities Services office prior to 4:30 p.m. on Friday. Trips leaving prior to 7:30 a.m. the next workday morning require that the keys are picked up the day before by 4:30 p.m. **Keys will NOT be given to any driver who is not certified to drive. Vehicle keys will NOT be issued on Saturday or Sunday.**

Each vehicle must have one certified driver who will sign the vehicle reservation form, and certified drivers will only be able to sign for one vehicle at a time.

Only certified driver's will be given a zipped pouch which includes:

RENTAL VEHICLES

Occasionally all fleet vehicles may be in use. During heavy periods, Colorado College will obtain rental vehicles from Enterprise. These vehicles are also checked out at Facilities Services.

For rentals, Colorado College insurance may be used in lieu of rental insurance through the vehicle rental agency within the United States for certified drivers. For rentals in foreign countries, please be sure to take the insurance offered by the rental agency.

25-PASSENGER AND HIGHWAY BUSES

For trips involving large groups, 25-passenger and highway buses are available. These buses are reserved in the same manner as other fleet vehicles. All of these vehicles require a Facilities Services CDL-licensed driver.

Alternate drivers may be provided for extremely long trips. This is a requirement of the Interstate Commerce and Department of Transportation regulating the amount of time drivers may spend behind the wheel without a break.
