### In this document:

- An asterisk (\*) in a response category means that less than 0.5% of respondents chose that response category and a dash (-) represents no response.
  - An carrot (^) denotes rounding. Due to rounding, some figures may be higher or lower by less than one-half of one percent.
  - "Skip base" is the percentage of voters that are asked a question because they meet a criteria based on a response to a previous question, meaning not all 400 respondents received that question.
  - "Total base" is the percentage of the total sample, in this survey that is 400 voters.
-
